

2022 Consultant Pharmacist 2-hr Certification: Medication Management for the Older Adult -Live Webinar

Drs. Smithgall & Helmer

July 9, 2022 – 1pm-3pm

PROGRAM OVERVIEW

This program will provide 10 hours of CE credit. The Friday portion of the program will be directed to those wanting to receive Consultant Certification from the Alabama Board of Pharmacy. Saturday's programming will focus on disease states and medications that impact the older adult. Registration for this course includes both Friday and Saturday programming for a total of 10 hours of CE credit. All 10 hours of programming are approved by the Alabama Board of Pharmacy for consultant credit hours as well as ACPE credit hours.

The registration fee for this program is \$75.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 2 ACPE Contact Hours, .2 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>.

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE)

LEARNING OBJECTIVES

- Identify medications that interact with aspirin therapy concerning efficacy and bleeding
- Describe the risks and benefits of aspirin therapy when used for primary prevention
- Summarize major updates to the American Diabetes Association (ADA) Standards of Medical Care in Diabetes – 2022
- Recommend evidence-based pharmacotherapy for the management of hyperglycemia based on patient-specific factors according to the ADA Standards of Medical Care in Diabetes – 2022

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live Zoom webinar, enter the attendance code within the course that was provided at the conclusion of the program, complete the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHSOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. Drs. Smithgall & Helmer have no actual or potential conflict of interest in relation to this program.
