## MEDICATION MANAGEMENT FOR THE OLDER ADULT

Taylor Steuber

### DOACS IN SPECIAL POPULATIONS: CHRONIC LIVER DISEASE & CANCER-ASSOCIATED VTE

## PROGRAM OVERVIEW

Explores the role of DOACs in unique populations including chronic liver disease and cancer-associated thrombosis. These are unique clinical situations where there is emerging evidence to expand the role of DOACs in anticoagulation management.

This program will provide 1 hour of CE credit and is offered via recorded webinar. Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1 ACPE Contact Hours, .1 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at [www.nabp.net](http://www.nabp.net). **This program is also approved by the Alabama Board of Pharmacy.**

*The Office of Post Graduate Education strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.*

This program is not sponsored by an external organization.

## TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists

## FACULTY DISCLOSURES

Programming in with AUHSOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. All listed faculty have no actual or potential conflict of interest in relation to this program.

## ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, watch the recorded webinar, finish the program evaluation within the online course, and claim credit within the course. Please contact [hsopce@auburn.edu](mailto:hsopce@auburn.edu) if you have any questions or needs related to this online CE program.

## ACCREDITATION INFORMATION

The Auburn University Harrison School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is 0001-0000-21-018-H01-P and is intended for pharmacists only. The initial release date for this home-study program is September 16, 2021 and the intended expiration is September 16, 2024.

This program is approved by the Alabama Board of Pharmacy for **Consultant** update hours. A monthly report of completions is sent to the AIBOP for enduring online programs.

## FACULTY

Taylor Steuber, PharmD, BCPS is an Associate Clinical Professor at the Harrison School of Pharmacy. Dr. Steuber joined HSOP in August 2016. He earned his Pharm.D. from the University of Missouri-Kansas City in 2014. He went on to pursue a 24-month PGY-1/PGY-2 residency in pharmacotherapy with Indiana University and Butler University in Indianapolis.

He is an active member of the American College of Clinical Pharmacy (ACCP) and the American Association of Colleges of Pharmacy (AACP). His practice and scholarship interests include infectious diseases, anticoagulation, and the scholarship of teaching and learning.

### Practice Site

Dr. Steuber is an internal medicine clinical pharmacy specialist at Huntsville Hospital with the UAB Division of Internal Medicine in Huntsville, Alabama. Dr. Steuber is a board-certified specialist in pharmacotherapy since 2015.
