

A MATTER OF THE HEART: PRIMARY PREVENTION OF ASCVD EVENTS

DR. SHELBY BULLER

FEBRUARY 9, 2023 @ 1PM-2PM

PROGRAM OVERVIEW

With recent updated recommendations from the U.S. Preventative Services Taskforce (USPSTF) regarding aspirin and statin therapies for the primary prevention of ASCVD, this presentation aims to provide the audience with an overview of these recommendations along with the American College of Cardiology (ACC)/American Heart Association (AHA) 2019 guidelines for ASCVD primary prevention. There is no registration fee for this program.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1.0 ACPE Contact Hours, .1 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>.

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is offered through a partnership with Central Alabama Veterans Health Care System.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE).

LEARNING OBJECTIVES

1. Recognize risk factors associated with the development of clinical ASCVD
2. Utilize a risk calculator to estimate the 10-year ASCVD risk of a patient
3. Recommend appropriate statin +/- aspirin therapy for the primary prevention of ASCVD

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live Zoom webinar, enter the attendance code within the course that was provided at the conclusion of the program, complete the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss since commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Buller has no actual or potential conflict of interest in relation to this program.

ACCREDITATION INFORMATION

The Auburn University Harrison College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is **0001-9999-22-078-L01-P** and is intended for pharmacists.

PROGRAM FACULTY

Dr. Shelby Buller was born and raised in southern Minnesota before attending South Dakota State University. While in pharmacy school, she was a pharmacy intern in an inpatient pharmacy. She completed her Bachelor of Science in Pharmaceutical Sciences in 2020 and her Pharm.D. in 2022. Dr. Buller's areas of interest include anticoagulation and inpatient psychiatry. After completing her PGY-1 residency, Dr. Buller is considering a PGY-2 in psychiatry or continuing her career at the VA as a clinical pharmacist. In her free time, she enjoys baking, crocheting, watching movies, reading, and finding new coffee shops to enjoy.
