NO GOUT ABOUT IT: A GUIDE FOR THE TREATMENT APPROACH OF GOUT

Dr. Abigail Switzer

Tuesday, June 8, 2023, ~ 1 pm -2 pm CT

PROGRAM OVERVIEW

This presentation will focus on the current gout guideline recommendations from the 2020 ACR Gout Guidelines. In addition, this presentation will focus on uses of second line therapy and introduce ongoing investigational medications that show promise for the future treatment of gout due to the limited number of medications for the treatment of gout.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1.0 ACPE Contact Hours, .01 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>.

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is offered in partnership with Central Alabama Veterans Health Care System.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists and Pharmacy Technicians (ACPE).

LEARNING OBJECTIVES

1. Describe pathological pathways that contribute to gout
2. List risk factors and aggravators associated with gout
3. Formulate an appropriate non-pharmacologic and pharmacologic treatment plan for acute and chronic gout
4. Evaluate primary literature for ongoing clinical trials for potential medications for gout therapy

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live Zoom webinar, enter the attendance code within the course that was provided at the conclusion of the program, complete the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.
