SCREENING FOR DEPRESSION IN COMMUNITY:
PHARMACIES TOOLS TO GET YOU STARTED – Recorded Webinar

Dr. Brandy Davis

Recorded Webinar

PROGRAM OVERVIEW

This webinar will offer information and tips to get started on implementing a depression screening service in pharmacies. Depression is a leading cause of disability in the world and pharmacists are in an ideal position to screen patients. This webinar gives advice and tips on overcoming barriers pharmacists face when implementing a depression screening service. The fee for this course is FREE.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1.0 ACPE Contact Hours, .1 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>.

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

TARGET AUDIENCE

This knowledge-based course is intended for Pharmacists within the Central Alabama Veterans Health Care System. An access code is required to enroll in this program.

LEARNING OBJECTIVES

- Identify patients who are eligible to be screened for depression.
- Explain what the PHQ-9 is for and how to use it.
- Determine whether a patient needs to be referred for mental health care.
- Explain what steps to take if a person tests positive for depression.
- List resources that can be used to refer patients for mental health care.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CED credit, each attendee will be required to:

- Access and review program materials in this course.
- Watch the recorded webinar linked within this course.
- Take the Quiz linked within this course.
- Claim credit within this course.

Thank you for participating in this AUHCOP continuing pharmacy education program. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss since commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Davis has no actual or potential conflict of interest in relation to this program.

PROGRAM FACULTY

Brandy Robyn Davis, Pharm.D.

Brandy Davis was raised in a small Alabama town and has lived in the city of Auburn for the past 10 years while working on various degrees. Currently, she is focused on research to improve mental health outcomes in rural areas utilizing pharmacists for screening and referral services. She lives with five dogs and her fiancé and loves being able to follow her passions through research.
