THE 2023 BEERS CRITERIA: NO LONGER JUST A DRAFT

Dr. Amber Hutchison

Recorded Webinar

PROGRAM OVERVIEW

Providing care for older adult patients requires many considerations for safe medication use. Several tools are available to help utilize the most appropriate medications in older adults. The American Geriatrics Society Beers Criteria is one of the most commonly utilized tools and has been updated in 2023. This presentation will review the changes made to the criteria and discuss the appropriate use of the criteria in practice. The cost of this program is \$25.

Following registration, participants will have access to course instructions, updates, presentations, recorded webinar, program evaluation, CE certificates and credits, etc. This program is approved for 1.0 ACPE Contact Hours, .1 CEUs. Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. This program is also approved by the ABN. The initial release date for this program is July 5, 2023, and the intended expiration date is July 5, 2026.

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization.

TARGET AUDIENCE
