Interprofessional Education and Interprofessional Practice

Dr. Kristen Helms

Recorded Webinar

PROGRAM OVERVIEW

This course is an orientation for AUHCOP Preceptors. This program has been approved by the Alabama Board of Pharmacy for continuing education credit to meet Preceptor licensure requirements.

An access code for this course will be provided by the Experiential Programs Office. The registration fee for this program is FREE.

Following registration, participants will have access to course instructions, presentations, recorded presentation, program evaluation, CE certificates and credits, etc. **This program is approved for 2 ACPE Contact Hours, .2 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>.

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE).

LEARNING OBJECTIVES

- Define interprofessional education (IPE) as described by the Interprofessional Education Collaborative (IPEC).
- Describe the impact of interprofessional practice on patient care outcomes.
- Describe accreditation requirements for IPE in schools of pharmacy as defined by the Accreditation Council for Pharmacy Education (ACPE).
- Utilize student data from end of APPE surveys to determine overarching areas of strength and need in preparing students for interprofessional practice.
- Describe best practices in precepting interprofessional student activities.
- Identify opportunities for IPE in current and future advanced practice experiences.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, view the recorded Zoom webinar, complete the quiz and program evaluation within the online course, and claim credit within the course. Please contact hcopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience. Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Helms has no actual or potential conflict of interest in relation to this program.

ACCREDITATION INFORMATION

The Auburn University Harrison College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is 0001-0000-22-048-H04-P and is intended for pharmacists. The initial release date for this home-study program is July 6, 2022, and the intended expiration date is July 6, 2025.

PROGRAM FACULTY

Dr. Kristen Helms earned her bachelor's degree in zoology from North Carolina State University and obtained her PharmD from the University of North Carolina at Chapel Hill. She completed her pharmacotherapy residency in primary care at DCH Regional Medical Center in Tuscaloosa. Dr. Helms was a 2013-2014 Academic Leadership Fellow for the American Association of Colleges of Pharmacy.

Prior to joining the Alabama College of Osteopathic Medicine (ACOM) as Assistant Dean of Faculty Development, she served as Associate Clinical Professor at Auburn University Harrison School of Pharmacy and as director of interprofessional education. Dr. Helms has been honored with numerous awards, including the Auburn University Interdepartmental Collaboration Award (in collaboration) and the 2009 American Association of Colleges of Pharmacy National Annual Assessment Award (in collaboration).

Her research interests include professional identity development, interprofessional education outcomes, and classroom and curricular assessment.
