CULTURALLY COMPETENT AND PERSON-CENTERED COMMUNICATION FOR OPIOID ABUSE PREVENTION CONVERSATIONS

Dr. Jan Kavookjian

Recorded Webinar

PROGRAM OVERVIEW

Stigma producing language is problematic in the fight for opioid abuse prevention and opioid use disorder. Persons who feel judged are less likely to seek treatment and are more likely to drop out of treatment. Learning how to communicate in a person-first manner can help persons with substance use disorder (SUD) feel less judged and more supported.

The Opioid Training Institute is a cooperative effort of the [Alabama Department of Mental Health](#) and the [Substance Abuse and Mental Health Services Administration](#). It is made possible by a grant provided by [SAMHSA](#).

The fee for this course is: FREE.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1.0 ACPE Contact Hours, .1 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. **This program is also approved by the ABN and ACCME.**

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE), Nurses (ABN), and Physicians (ACCME).

LEARNING OBJECTIVES

- Identify the need for person-centered communication in situations of potential opioid misuse and abuse.
- Describe at least three person-centered communication strategies for use in situations of suspected opioid misuse and abuse.
- Develop a plan to practice person-centered communication strategies with a friend or family member.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, watch the recorded webinar, take the quiz, complete the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Kavookjian has no actual or potential conflict of interest in relation to this program.

ACCREDITATION INFORMATION

The Auburn University Harrison School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is 0001-9999-23-015-H08-P and is intended for nurses and pharmacists. The initial release date for this program is March 3, 2023, and the intended expiration date is March 3, 2026.

CME –

- This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Huntsville Hospital and Auburn University Harrison School of Pharmacy. Huntsville Hospital is accredited by the Medical Association of the State of Alabama to provide continuing medical education for physicians.

This activity is approved for 1.0 AMA PRA Category 1 Credit(s) towards the Alabama Controlled Substance Certificate (ACSC) holder's requirement.

Auburn University Harrison School of Pharmacy is a Board approved provider of continuing nursing education in Alabama by the Alabama Board of Nursing. Provider Number: ABNP1515.

PROGRAM FACULTY

Jan Kavookjian

MBA, PhD, FAPhA

Dr. Kavookjian has a behavior sciences focus in outcomes research, with nearly twenty years of experience applying an adult learning theory basis for motivational interviewing (MI) training for providers across health professions, and teaches advanced MI electives (PharmD and PhD programs). She has trained over 3,000 providers across health professions. Her research includes outcomes from provider intervention for disease management, particularly using MI for self-management behaviors in diabetes and other chronic conditions, and prevention initiatives including opioid abuse prevention and vaccination uptake. She has published her research in peer-reviewed journals and conducted over 100 presentations for organizations/settings like CDC, APhA, AADE, ADA, IHI, and others.
