LET'S MAKE A DIFFERENCE: NALOXONE

Dr. Karen Marlowe

Recorded Webinar

PROGRAM OVERVIEW

The presentation will address the use of Naloxone nasal and injection. Those who watch the presentation will be able to recognize those suffering from opioid overdose, be able to administer naloxone and administer first aid until EMS arrives.

The Opioid Training Institute is a cooperative effort of the [Alabama Department of Mental Health](#) and the [Substance Abuse and Mental Health Services Administration](#). It is made possible by a grant provided by [SAMHSA](#).

The fee for this course is: FREE.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for .50 ACPE Contact Hours, .05 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. **This program is also approved by the ABN and ACCME.**

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE), Nurses (ABN), and Physicians (ACCME).

LEARNING OBJECTIVES

- Illustrate proper use of naloxone formulations.
- Review Good Samaritan law and how it relates to naloxone administration.
- Discuss accessibility of naloxone in Alabama.
- Explain and provide examples of the dangers when handling unknown drugs and interacting with those with OUD.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, watch the recorded webinar, take the quiz, complete the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Marlowe has no actual or potential conflict of interest in relation to this program.

ACCREDITATION INFORMATION

The Auburn University Harrison School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is 0001-9999-23-012-H08-P and is intended for pharmacists, nurses, and social workers. The initial release date for this program is March 3, 2023, and the intended expiration date is March 3, 2026.

CME –

Auburn University Harrison School of Pharmacy is a Board-approved provider of continuing education for social workers by the Alabama Board of Social Work Examiners. Provider Number: 0643.

PROGRAM FACULTY

Karen F. Marlowe

Pharm D, BCPS, CPE

After graduating from Auburn University, she completed her pharmacy practice residency at Children's Healthcare of Atlanta and then a clinical position with Children's working with the cardiac intensive care and cardiopulmonary transplant units. In 2000, she accepted an appointment with Auburn University with a practice affiliated with the University of South Alabama Medical School, Department of Internal Medicine. She provided care for inpatient internal medicine patients, but maintained a consult service and patient advocacy program for patients with chronic pain or terminal illness. Her research interests revolve around the attitudes/perceptions of practitioners regarding chronic pain patients and how that impacts the care they receive. For the last eleven years, I have served as the Assistant Dean of the Mobile Satellite Campus for the Harrison School of Pharmacy. She is also serving on a state task force looking at the quality of hospice/palliative care in Alabama.
