## TNK VS. TPA: TIME TO MAKE THE SWITCH?

Drs. Brianna Gray and Rachel Settle

Thursday, June 8, 2023 ~ 12 pm -1 pm CT

## PROGRAM OVERVIEW

The presentation will begin with a discussion of the role of IV thrombolysis in acute ischemic stroke (AIS). Next, I will discuss the different properties of alteplase (the only FDA-approved thrombolytic for AIS) vs. tenecteplase (off-label for AIS). Then, I will discuss the data regarding the use of tenecteplase for AIS. This data will include the statements made by the 2019 AHA Guidelines for the Early Management of Patients with Acute Ischemic Stroke as well as phase 2 and phase 3 trials of tenecteplase for AIS. Trials included in the presentation will be the NOR-TEST 1 & 2 trials, EXTEND-IA TNK trial, ACT trial, and TRACE-2 trial. Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc.

The fee for this course is: FREE.

**This program is approved for .5 ACPE Contact Hours, 0.05 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>.

***The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.***

## TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE). For this specific educational offering, the target audience will be employees of Baptist Health.

## LEARNING OBJECTIVES

1. Discuss the role of IV thrombolysis in acute ischemic stroke.
2. Compare and contrast the properties of tenecteplase and alteplase.
3. Evaluate the data examining the use of tenecteplase in various acute ischemic stroke populations.

## ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live webinar, complete the program evaluation within the online course, and claim credit within the course. Please contact [hsopce@auburn.edu](mailto:hsopce@auburn.edu) if you have any questions or needs related to this online CE program.

## FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. Drs. Gray and Settle have no actual or potential conflict of interest in relation to this program.
