RISK MITIGATION PART II

Dr. Timothy Atkinson

Recorded Webinar

PROGRAM OVERVIEW

This is a case-based presentation on the practical application of risk mitigation strategies already discussed in Part I. Team-based care and clinic optimization will be discussed followed by the presentation of 3 clinical cases that address multiple issues common to practice and clinical pearls will be shared to reinforce previous learning and assist with clinical implementation.

The Opioid Training Institute is a cooperative effort of the [Alabama Department of Mental Health](#) and the [Substance Abuse and Mental Health Services Administration](#). It is made possible by a grant provided by [SAMHSA](#). The fee for this course is: FREE.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1.0 ACPE Contact Hours, .1 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. **This program is also approved by the ABN and ACCME.**

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE), Nurses (ABN), and Physicians (ACCME).

LEARNING OBJECTIVES

- Demonstrate best practices in use of mitigation strategies.
- Describe how to delegate responsibilities of risk mitigation.
- Illustrate how to integrate and implement risk mitigation into daily practice.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, watch the recorded webinar, take the quiz, complete the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Atkinson has no actual or potential conflict of interest in relation to this program.

ACCREDITATION INFORMATION

The Auburn University Harrison School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is 0001-9999-23-011-H08-P and is intended for pharmacists. The initial release date for this program is March 3, 2023, and the intended expiration date is March 3, 2026.

CME –

- Huntsville Hospital designates this online enduring material for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
- This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Huntsville Hospital and Auburn University Harrison School of Pharmacy. Huntsville Hospital is accredited by the Medical Association of the State of Alabama to provide continuing medical education for physicians.

Auburn University Harrison School of Pharmacy is a Board approved provider of continuing nursing education in Alabama by the Alabama Board of Nursing. Provider Number: ABNP1515.

PROGRAM FACULTY

Timothy J. Atkinson

PharmD, BCPS, CPE

Timothy is a Clinical Pharmacy Pain Specialist and federal employee in a regional referral pain clinic near Nashville, Tennessee. Dr. Atkinson specializes in complex and high-risk pain medication management through direct patient care and electronic consult services. He is a Residency Director for a PGY-2 Pain and Palliative Care Pharmacy Residency program and strong advocate for expansion of clinical pharmacists with expertise in collaborative drug therapy management (CDTM) specific to pain management. Dr. Atkinson is the owner of Vanguard Pain Management Consulting where he advises clients in managed care and the pharmaceutical industry. Among these activities he serves as a clinical product advisor for axialHealthcare where he develops evidence-based methods for monitoring opioid use for managed care. His research interests include opioid equivalencies, serum level monitoring, pain management in specialty disease states, and the elderly.
