UPDATE ON COVID-19

Dr. Marilyn Bulloch

Recorded Webinar

PROGRAM OVERVIEW

A review of the newest evidence for using COVID-19 therapeutics and a review of pipeline antivirals.

The registration fee for this program is FREE.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1 ACPE Contact Hours, .1 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE. Monitor profile at <http://nabp.pharmacy/>. **This program is also approved by ABN.**

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This project was funded in part through a grant from the National Heart, Lung, and Blood Institute –Sub-OTA No. 6922-03-COVID-S002 - Alabama Community Engagement Alliance against COVID-19 Disparities (Alabama CEAL) project, under subcontracts with Research Triangle Institute and Westat, Inc.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE), Pharmacy Technicians (ACPE), Physicians (ACCME), and Nurses (ABN).

LEARNING OBJECTIVES

Pharmacists/Pharmacist Technicians:

1. Review available antiviral therapies for COVID-19
2. Evaluate evolving literature on antiviral therapy for new approaches to care and use in special patient populations.
3. Explain the impact of COVID-19 antiviral therapy in infection rebound
4. Describe the impact of COVID-19 therapy on post-COVID-19 conditions
5. Discuss pipeline antivirals for COVID-19

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, watch the recorded webinar, take the quiz located within the program, complete the program evaluation within the online course, and claim credit within the course. Please contact hcopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss since commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience. Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Bulloch has no actual or potential conflict of interest in relation to this program.

The Universal Activity Number for this knowledge-based program is 0001-9999-24-001-H01-P/T and is intended for pharmacists and pharmacy technicians. The initial release date for this home-study program is January 9, 2024, and the intended expiration date is January 9, 2027.

ABN - Auburn University Harrison College of Pharmacy is a Board approved provider of continuing nursing education in Alabama by the Alabama Board of Nursing. Provider Number: ABNP1515

Huntsville Hospital designates this enduring material for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Huntsville Hospital and Auburn University, Harrison College of Pharmacy. Huntsville Hospital is accredited by the Medical Association of the State of Alabama to provide continuing medical education for physicians.

PROGRAM FACULTY

Marilyn Novell Bulloch, Pharm.D., BCPS, FCCM, is an Associate Clinical Professor in the Department of Pharmacy Practice at the Auburn University Harrison College of Pharmacy. Dr. Bulloch holds an Adjunct Associate Professor appointment with the University of Alabama-Birmingham School of Medicine Department of Medicine and the University of Alabama College of Community Health Sciences Department of Family, Internal, and Rural Medicine.

Additionally, Dr. Bulloch serves as the Director of Strategic Operations under the Associate Dean of Faculty Affairs and Strategic Initiatives at HSOP. As part of this position, she provides leadership, support, and direction in the areas of accreditation - including the ACPE self-study and site visit, strategic planning, and continuous quality improvement.

Dr. Bulloch grew up in Collinsville, Virginia, and received her Doctor of Pharmacy degree from the Ernest Mario School of Pharmacy at Rutgers, the State University of New Jersey, in 2007.

She completed a post-graduate pharmacy practice residency at the University of Alabama-Birmingham Hospital in 2008. In 2009, Dr. Bulloch completed a post-graduate specialty residency in critical care pharmacy at Charleston Area Medical Center in Charleston, West Virginia. Additionally, Dr. Bulloch completed a Faculty Scholars Program in Geriatrics through the University of Alabama-Birmingham Geriatric Education Center in 2011.

Dr. Bulloch began her role as faculty at Auburn in August 2009, and her current practice site is at DCH Regional Medical Center in Tuscaloosa, Alabama. She participates in an interprofessional education inpatient rounding service that also includes academic physicians from the University of Alabama, medical residents and fellows, and third- and fourth-year medical students. Her practice includes adult critically ill and acute care patients, with a large contingent of geriatric patients. Dr. Bulloch provides comprehensive pharmacotherapy management for the patients in the inpatient service, with a specific focus on infectious disease and other acute and critical illness needs.

Dr. Bulloch has and continues to serve on multiple committees and in leadership positions for many local, state, and national pharmacy and interdisciplinary medical organizations. She was inducted as a Fellow of the American College of Critical Care Medicine in 2017.

Her research interests include geriatric pharmacotherapy, interdisciplinary education, alternative professional education instructional methods, infectious disease, care transitions, and acute and critical care pharmacotherapy.
