DEMENTIA AND MEDICATIONS: UNRAVELING THE COMPLEXITIES FOR BETTER CARE

Dr. Dana G. Carroll

Recorded Webinar

PROGRAM OVERVIEW

This program will provide a brief overview of different types of dementia and possible treatment options for each. The primary focus for this presentation will be on the management of Alzheimer dementia. This program will also address behavioral and psychological symptoms of dementia (BPSD) and possible treatment options for BPSD. The registration fee for this program is \$25.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1 ACPE Contact Hours, .1 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>.

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization and no commercial support has been received for this activity.

TARGET AUDIENCE

This application-based program is intended for Pharmacists (ACPE)

LEARNING OBJECTIVES

- Identify medications that may worsen cognitive function.
- Compare and contrast characteristics of different types of dementia.
- Develop a safety monitoring plan for patients initiated on therapy for Alzheimer's dementia.
- Identify possible treatment options to manage Behavior and Psychological Symptoms of Dementia (BPSD).

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, view the recorded Zoom webinar, complete the quiz and program evaluation within the online course, and claim credit within the course. Please contact hcopce@auburn.edu if you have any questions or needs related to this online CE program

ACCREDITATION INFORMATION

The Auburn University Harrison College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this application-based program is 0001-0000-25-016-H01-P and is intended for pharmacists. The initial release date for this program is July 25, 2025, and the intended expiration date is July 25, 2028. This program is not sponsored by an external organization.

TECHNOLOGY REQUIREMENTS

Please make arrangements to have access to a computer that has good audio/visual capabilities and a steady internet connection.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience. Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Carroll and others in control of content have no actual or potential conflict of interest in relation to this program.

PROGRAM FACULTY

Dana G. Carroll is a Clinical Professor at Auburn University Harrison School of Pharmacy. She graduated from Harrison School of Pharmacy with her B.S. degree in 1998 and her Pharm.D. in 1999. Dr. Carroll completed a residency in primary care at the University of Mississippi Medical Center in 2000. She worked at Duke Medical Center in the emergency room as a clinical pharmacist and as an Assistant Professor at University of Oklahoma (Tulsa campus) before joining the faculty with Auburn in 2006 as an Associate Clinical Professor. Dr. Carroll is board certified in pharmacotherapy (BCPS) and geriatrics (BCGP) and is a certified diabetes educator (CDE). She teaches and precepts pharmacy students, pharmacy residents, graduate students (psychology and social work) and medical residents. She also holds adjunct faculty appointments with the College of Community Health Sciences Family, Internal and Rural Medicine Department and the Psychology Department at the University of Alabama. Dr. Carroll's current scholarly endeavors include assessing outcomes in geriatric patients from interdisciplinary care and the scholarship of teaching and learning in both didactic and clinical settings.
